JUSTICE NOWHERE, POLICING EVERYWHERE.

Terrence Sterling was murdered by DC police on September 11, 2016. Witnesses report that as Sterling was driving his motorcycle home from a bachelor party, officers pulled their police car into his path, forcing him to crash, then shot him in the head without provocation.

The same police terrorize protesters, harass sex workers, and murder black and brown people. Just as police rounded up Jewish and Romani people in the Holocaust, sent dissidents to gulags in the Soviet Union, and imposed apartheid in South Africa, today in the United States police kill a thousand people a year and deport and imprison millions more. The fight against the #J20 prosecution is just one part of the struggle against police oppression that targets countless communities. ***Let's take it on together.***
