

SUPPORT THE G20 ARRESTEES, EVEN THE INNOCENT ONES

What kind of world do the G20 leaders want to create? They showed us a sneak preview in Toronto at the June 2010 G20 summit: a billion-dollar security budget, 20,000 security personnel, secret laws, pre-dawn house raids, indiscriminate attacks with batons, tear gas, and rubber bullets. Over 1100 people were arrested, most of whom were never charged.

If this is the future, who can blame people for resisting?
